

FOOT SEALERS

MEC-FSX Height extenders raises all foot sealers 10 inches making standing operation more comfortable and productive.

The MEC line of Impulse Foot Sealers, with their new and improved casting, are ideal for sealing large heavy bags. By having a foot control, the hands are free to feed the machine. It is like having an extra hand. Units come complete with pedestal, stand, adjustable work table and adjustable foot control. 2MM & 5MM element wire are available.

These special foot sealers are excellent for sealing polycello films, humidity-proof cellophane film, polyethylene film, aluminum foil coated bags and gusset bags. These sealers are ideal for producing a beautiful mesh seal 5/8 inch wide by 8, 12, or 16 inches long. Each machine comes complete with pedestal, stand, adjustable work table and foot control.
